EDUCATION

University of California, Berkeley
B.A in Computer Science

expected May 2017

EXPERIENCE

ClearSlide

Software Engineering Intern — Java/AngularJS/MySQL

May 2016–current

San Francisco, CA

- Worked on Agile team; focused on revamping the ClearSlide web app for DreamForce by rebranding, creating a more intuitive UI/UX, and cleaning up parts of the backend to make things more transparent to future developers
- Bug fixes for the current web app
- In a collaborative effort with the other interns, developed a Slack integration for the ClearSlide web app

PERSONAL PROJECTS

GrepIRL (Swift)

- An iOS app meant to allow users to tag helpful items (such as bathrooms, power outlets) with a location, ratings, and comments. Submission as a collaborative final project to the iOS class at UC Berkeley. (<https://github.com/Georgehe4/ios-decal-proj4>)
