JOB OBJECTIVE

A full-time position that can further my skills in web development, explore interest in mobile app development, and/or technology for education.

EDUCATION

University of California, Berkeley
Currently completing B.A., Computer Science
Expected graduation: May 2017

EXPERIENCE

Part-time Intern	ClearSlide	August 2016—present
	San Francisco, CA	

Continuing my summer work as a part-time developer on the same team.

Software Engineering Intern	ClearSlide	May 2016—August 2016
	San Francisco, CA	

Focused on revamping our main product. Other projects included bug fixes for the existing product and, in a collaborative effort with the other interns, a Slack integration for our main product.

SKILLS

Languages (by proficiency)	Python, Java, HTML, Javascript (AngularJS, jQuery), Swift, Ruby (on Rails), C
Operating Systems	Windows, OS X
Deveopment Tools	IntelliJ, JIRA, SequelPro, Sublime Text, Vim, Git
